

## FIRST BLOOD SPILT

A Sheriff's Posse Fired Into a Crowd of Riotous Men Near Shenandoah, Pa.

## TWO KILLED AND SEVEN WOUNDED

A Mob Pursued the Sheriff and His Deputies to the Ferguson House Where They Took Refuge.

Several of the Wounded Are Seriously Injured, Some of Whom May Die—A Detachment of Troops Has Been Asked For.

Shenandoah, Pa., Sept. 22.—A sheriff's posse fired on a crowd of riotous men near here Friday afternoon, killing two persons and wounding seven others.

Sheriff Toole and Deputies O'Donnell and Brennenman were called to Shenandoah—Friday to suppress the mob that threatened the mine workers and colliery property. At quitting time the three sheriffs and a small posse whom the sheriff had summoned on the ground went to the Indian Ridge colliery of the Reading Co. to escort the working men to their homes. The colliery is located a short distance east of Shenandoah.

The workmen left for home shortly after 4 o'clock. They walked up the middle of the east center street and reached the Lehigh Valley railroad station. Here had gathered a large crowd of Poles, Slavs and Hungarians, men, women and children, who lined both sides of the street.

## A Shot From a Saloon.

A shot rang out from a saloon. This was followed by a shower of stones. Many of the crowd had picked up sticks and stones and were acting in a threatening manner. Seeing this the sheriff, who had previously cautioned his men to keep cool, and not to use their firearms, called them to fire. The order was obeyed with terrible results. The crowd pursued the sheriff and his posse to the Ferguson house, where they took refuge. Sheriff Toole shortly afterward telephoned to Harrisburg and asked that a detachment of troops be sent here. It was learned that Adj. Gen. Stewart was in Philadelphia and a telegram was sent to him there.

## The Dead and Wounded.

Following is a list of killed and wounded: Mike Yuckavage, shot in the eye. A little girl, name unknown, shot in the back of the neck. Wounded, so far as can be learned: Edward Coyle, aged about 50 years, bullet wound near the heart. He was sitting on his stoop. Michael Scanlan, shot in the arm. Anthony Skarnicz, shot in left wrist by 22-caliber bullet. John Wudick, aged 46 years, shot in the hand; married. Peter Stalmocovine, 50 years, shot in the shoulder at the back. Mike Sazitska, shot in left shoulder. Anthony Axalagure, shot in the left side, seriously, a 40-caliber bullet, removed.

Among those who were injured by the rioters were the following: Geo. Bedding, of Ringing, ugly gash on right forehead, caused by brick. Robert Edwards, aged 64 years, injured seriously by being hit with stones. Charles Rawland, aged 30, injured on the neck and head by stones.

## A Call for Troops.

Philadelphia, Sept. 22.—Sheriff Toole, of Schuylkill county, Friday sent a telegram to Adj. Gen. Stewart asking for troops as a result of a clash between marching strikers and coal and iron police at Shenandoah Friday afternoon. The sheriff's message was delivered to the adjutant general a few moments after his arrival in this city from Harrisburg. Gen. Stewart at once communicated with Sheriff Toole by telephone. After a brief conversation the adjutant general returned to Harrisburg on the train leaving here at 8:50 o'clock at night.

## Troops Ordered to the Scene.

Harrisburg, Pa., Sept. 22.—Three regiments of infantry, a battery and a troop of cavalry were ordered out at midnight by Gov. Stone to assist Sheriff Toole in maintaining order in the Schuylkill mining region. This action was taken after a conference between the governor, Adj. Gen. Stewart and Gen. Gobin on the urgent solicitation of the sheriff, borough council of Shenandoah and many prominent residents of that locality. Gen. Gobin has been placed in command of the provisional brigades and started from here Friday with his staff on a special train for Shenandoah. He will establish headquarters there and expects to be on the ground with 2,500 troops by 5 o'clock Saturday morning.

## A SECOND VISIT.

A Most Disastrous Rain and Electrical Storm in Northern and Northwestern Texas.

Dallas, Tex., Sept. 22.—The storm of Thursday night over Northern and Northwestern Texas was one of the most disastrous rain and electrical storms experienced in years. The damage is heavy, but is confined largely to cotton and railroad interests. Farmers declare that the injury to the cotton crop will reach 10 per cent. Trains on nearly every road in Northern Texas are far behind schedule time, and south-bound trains on the Missouri, Kansas & Texas and the Houston & Texas Central roads are tied up for the night at Dallas.

## Trinity River Overflowed.

The Trinity river at Dallas has risen nearly 30 feet since Thursday night and overflowed its banks Friday afternoon. The situation became so alarming that at about 3 o'clock Sheriff Hughes sent out mounted couriers from this city to notify farmers and other residents along the valley to move out, as they otherwise would be likely to be caught by a flood during the night.

News from the Pan-handle belt may add to the seriousness of the storm. Wire communication is badly interrupted.

## Eleven Inches of Rain Fell.

Rain began falling late Thursday afternoon and ended Friday morning at 11 o'clock. During that interval the fall was 11 inches in some places. The rain was accompanied by wind which unroofed houses and bent trees to the ground.

At Fort Worth considerable loss was sustained. The Trinity river left its banks during the night and the valley as far as the eye could see was a vast sheet of water. The river rose 21 feet during the night. The city park there was submerged to a depth of four feet and the water works was an island.

Denison, Tex., Sept. 22.—This section has been visited by 24 hours the heaviest rain of the year. The rain was general throughout the Indian territory. A big rise is reported coming down Red river throughout the pan-handle.

## THE HUNTINGTON ESTATE.

The Inheritance Tax Amounts to More Than Two Hundred Thousand Dollars.

New York, Sept. 22.—The inheritance tax of Collis P. Huntington's estate will amount to more than \$200,000. In an estimate prepared for Comptroller Coler and submitted to State Comptroller Theodore P. Gilman Friday, it appeared that the transfer charge on specific bequest alone would amount to \$90,000. No appraiser has been named for the huge estate, and the real valuation of the enormous fortune left by Mr. Huntington will not be known positively for 18 months, the time limit allowed for filing appraisement reports.

It is estimated by those familiar with the affairs of Mr. Huntington that his estate is worth \$500,000. The widow, Arabella D. Huntington, for her share will have to pay a death tax of \$16,500, if the estimate stands, and \$45,000, his share being assessed at 5 per cent., while Mrs. Huntington's is but 1 per cent. On the \$100,000 left in trust for the Princess Hatzfeldt there will be a death tax of \$10,000.

## PEI TA CHU TAKEN

Gen. Wilson, the American Commander, Captured the Place Last Monday Morning.

## NO DETAILS HAVE BEEN RECEIVED

He Had Eight Hundred American and Six Hundred British Troops, and Six Guns.

It Is Expected That He Will Move on San Kia Tien and Destroy the Chinese Arsenal Located at That Place.

Peking, Monday, Sept. 17 (via Taku, Thursday, Sept. 20).—Gen. James H. Wilson, the American commander, took Pei Ta Chu this morning. No details of the affair have been learned, but the British officials have received a dispatch announcing that "the temples were taken according to arrangement."

It is expected that Gen. Wilson will move on San Hai Tien (San Kia Tien?) and destroy the Chinese arsenal at that place.

The Germans moved westward today, and it is doubtful if they co-operated in the taking of Pei Ta Chu. Japanese scouts report that the surrounding country is free of the enemy.

No word has been received from the 6th United States cavalry column, which is operating in the northeast. As announced Thursday night in a

He hastened away to cable it to his government.

The department then sent the answer to the Russian inquiry forward by messenger and wired cablegrams containing the substance of the answers to its diplomatic representatives abroad. Thus closed one of the most interesting and important phases of the Chinese entanglement. The state department absolutely refused to make any statement as to the nature of the answers, taking the ground that to do so would be a violation of the diplomatic proprieties.

## Secrecy Maintained.

However, as it was calculated that all of these answers will have reached their destinations abroad by Saturday, it was promised that the text of the communications should be given to the press Saturday afternoon. The ministers and charges who received the messages here adopted the same secretive attitude. The president himself, it seems, had given instructions that every effort should be made to maintain secrecy in this matter until the official disclosure.

With all this, it is known that the German proposal that negotiations with China be deferred until the Chinese responsible for the Peking outrages have been surrendered to the allies has failed of approval by our government. The declaration has been conveyed in a manner that can not give offense, but it is believed that the United States government can not recognize the principle that a country may be called upon to surrender its own citizens to a foreign power or powers for punishment.

## Ultimate Punishment of Offenders.

The government does not relinquish the idea of ultimate punishment of the offenders when they are properly
